Dear CertainTeed Canada, Residential Roofing Customers:

Canada Residential Roofing Products Price Increase: **Effective May 25, 2023**

Due to the continued volatility in the market for raw materials used in the manufacturing of our roofing products, CertainTeed will increase prices for residential roofing shingles and accessory products by 3%, to 5% effective as of May 25, 2023.

All orders shipped on or after May 25, 2023, will be invoiced at the new price, regardless of the order entry date. This increase will include all shipments. We will provide you with specific amounts by product as we get closer to this date.

Your CertainTeed Field Sales Manager and Territory Manager will assist in answering specific questions regarding this increase. Please distribute to the appropriate people in your organization.

We appreciate your continued support of CertainTeed Residential Roofing Products.
